OBSERVATIONS FROM 30,000'

This year's program is Observations from 30,000' – Modern Challenges and Opportunities for the Fire Service. This high energy, high impact program will highlight the challenges being faced by firefighters and fire officers throughout the nation while sharing critical insight as to the opportunities these challenges bring to current and future leaders of the fire service. This program is designed to uphold the mission of our profession while challenging our daily routines and the decisions that accompany them. Please make arrangements as early as possible to attend this year's seminar.
