CERTIFIED FIRE & AMBULANCE DISTRICT BOARD TRAINING

8 Hour Course

This course will provide the education required for ambulance and fire protection district board members. **MAA** and **MAFPD** have developed the curriculum (approved by the State Advisory Council on EMS and the MO Division of Fire Safety) used in this course to assist board members in understanding the legal liabilities and personal obligations of their position—Treasurers, Secretaries, and chief officers are also encouraged to attend. Topics include: authority; roles, duties, responsibilities; rules and laws; elections; ethics; Sunshine Law; setting tax rates; and how to conducting meetings. **Also approved for 8 POST hours of legal continuing education for law enforcement!**

**THIS TRAINING
IS
REQUIRED BY**

Per RSMo 190.053 or 321.162
